State License #	Lic Type:	Lic Expiration:	
Workers Comp	Carrier:	Policy #	Exp.:

Mechanical Code

Check the following Mechanical systems that requires a complete Mechanical Plan Check:

- New systems with aggregate input capacity greater than 500,000 BTU/HR
- Ventilation for enclosed automobile parking and repair garages*
- Stairway pressurization systems*
- Smoke control systems*
- Food processing establishments with Type I or II hoods*
- Product conveying systems (i.e. dust collection system, fume hoods, etc)*
- Ventilation for State licensed health care facilities*
- Installation of refrigeration systems requiring refrigeration machinery room*

** These individual mechanical systems shall be reviewed independently*

Electrical Code

Check the following Electrical systems that requires a complete Electrical Plan Check:

- Any installation of 400 amps/600 volts or larger (Exception: SFR with the max of 400 amps/240 volt)
- A performance/motion picture theater
- A health care facility with surgical rooms (Article 517 of the electrical code)
- Any Hazardous locations by the provisions of Chapter 5 of the electrical code
- First Tenant improvement of a shell building
- Any photovoltaic installation

Issuance Fee is \$41.50 per Type of Permit

MECHANICAL / ELECTRICAL PERMIT WORKSHEET

Mechanical System

# of Units	# of Units
Furnace/Comp/Cond/Boiler (<100 KBTU) \$40.75	Evaporative Coolers \$33.00
Furnace/Comp/Cond/Boiler (>100-500 KB) \$78.62	Ventilation Fan (Single Register) \$24.12
Furnace/Comp/Cond/Boiler (>500 KBTU) \$196.75	Ventilation Fan (Other) \$50.87
Air Inlets/Outlets (Each) \$6.37	Hood Residence \$50.87
Air Inlets/Outlets (Sq Ft) \$55.87	Commercial Kitchen Exhaust Hoods \$98.37
Appliance Vent (Misc) \$19.37	Spray Booth \$98.37
Air Handling Unit (<2,000 CFM) \$19.37	Product Conveying Duct System \$98.37
Air Handling Unit (2,000-10,000 CFM) \$58.50	Fire Dampers \$15.87
Air Handling Unit (>10,000 CFM) \$98.37	Alteration of Existing Duct System \$40.75

Electrical System

NEW Residential Bldgs (Multi-Family) \$.16 SF	<u>Residential Appliances Less Than 3HP</u>
<i>For garages, carports, & other accessory bldgs use Branch Circuit Fee or Unit Fee Schedule</i>	Other Res Appl. Less than 3 HP \$16.00
NEW Residential Bldgs (1 or 2 Family) \$.25 SF	<u>Non-Res Appliances Less Than 3HP</u>
<i>For garages, carports, & other accessory bldgs use Branch Circuit Fee or Unit Fee Schedule</i>	Exhaust Fans \$23.25
Swimming Pool/Spa \$121.87	Electric Water Heaters \$23.25
Spas/Hot Tubs/Whirlpools \$82.00	Lighted Showcases \$23.25
Alterations to Existing Pool \$82.00	Electrical Drinking Fountains \$23.25
Carnival: EL Rides/Generators \$58.50	Vending Machines \$23.25
Carnival: Mech Rides/Display w/lights \$24.50	Laundry Machines \$23.25
EV Charging Station (SFR) 120 V \$26.00	Other Non-Res Appl. Less than 3 HP \$23.25
EV Charging Station (SFR) 208-277V \$41.00	<u>Power Equip. Over 3HP Less Than 10 HP</u>
Temp Power Pole \$65.50	Heat Pumps \$30.00
Temp Distribution System \$32.12	A/C Units \$30.00
Branch Circuit: 120V, 15 or 20A \$26.00	Refrigeration Cabinets \$30.00
Branch Circuit: 208-277V, 15 or 20A \$41.00	Electric Cooking Equipment \$30.00
Outlets: Lighting/Receptacle/Switch \$3.25	Electric Generators \$30.00
Lighting Fixtures \$3.25	Other Equip. Over 3HP Less Than 10 HP \$30.00
Pole Mounted Light Fixtures \$3.75	Apparatus/trans/motor >3-10 HP, KW \$30.00
<u>Residential Appliances Less Than 3HP</u>	Apparatus/trans/motor >10-50 HP, KW \$69.25
Forced Air Units (FAU) \$16.00	Apparatus/trans/motor >50-100 HP, KW \$129.50
Electric Ovens \$16.00	Apparatus/trans/motor >100 HP, KW \$214.00
Garbage Disposals \$16.00	Cable Trays/Trolleys/Busways (Feet) \$39.37
Dishwashers \$16.00	Electrical For Signs On One Circuit \$58.50
Range Hoods \$16.00	Additional Circuits Within Same Sign \$19.37
Washing Machine \$16.00	0-399 Amps Panels \$58.50
Exhaust Fans \$16.00	400-1,000 Amps Panels \$114.62
	1,000+ Amps or More \$244.00
	Misc Conduit & Conductors \$98.25

Issuance Fee is \$41.50 per Type of Permit
