During the 2015-2016 Winter Shelter season (Dec. 1st. - March 1st.) the East San Gabriel Valley Coalition for the Homeless sheltered 1,032 unduplicated homeless men and women with a total of 15,100 bed-nights (occupied beds) over the 91day period. Of the 1,032 persons over **30% were women**. It was the highest percentage of women we have ever have served. Driving on the streets we do not know where they are but we do know that they are vulnerable.
