## \*BENEFITS OF MULCH:

- Helps to conserve water by retaining soil moisture during dry weather
- Mulch applied at 2" - 3" helps suppress weeds and the need for less herbicides
- Adds aesthetic beauty to the landscape
- Helps control erosion
- Helps improve your soil as it slowly breaks down into beneficial nutrients
- Helps divert green waste from the landfill

For more information call the  
City of El Monte at (626) 258-8624

\*Mulch is created from recycled green waste tree trimmings and wood chippings from public trees. Use mulch at your own discretion.
